

Supplementary Statement to the East Riding of Yorkshire Council Pharmaceutical Needs Assessment (PNA)

Date of Publication of Pharmaceutical Needs Assessment	16 March 2018
Date of Issue of Supplementary Statement	17 September 2020
Supplementary Statement Number	3

100-HOUR PHARMACY CLOSURE and NON SIGNIFICANT RELOCATION OF 40-HOUR PHARMACY ONTO THE SITE OF THE CLOSING PHARMACY

Closing Pharmacy
Bridlington Late Night Pharmacy
86 The Promenade, Bridlington, YO15 2QL

Bridlington Late Night Pharmacy closed on 29th February 2020.

Relocating Pharmacy
Boots Pharmacy Ltd
41 The Promenade, Bridlington, YO152PY

Immediately following closure of the pharmacy above, NHS England and NHS Improvement granted the relocation of Boots Pharmacy Ltd from 41 The Promenade to 86 The Promenade.

This closure and relocation neither creates changes to the East Riding PNA 2018-2021 that are of a significant extent to the need for pharmaceutical services in the East Riding Health and Wellbeing Board area, nor does it create any gaps in the need for pharmaceutical services within the Bridlington South Ward.

It is the view of the East Riding Council Health and Wellbeing Board that this change to the availability of pharmaceutical services is relevant to the granting of applications referred in Section 129(2)(c)(i) or (ii) of the 2006 Act and is satisfied that a revised PNA would be a disproportionate response.
